

COURSE TRAINER

Ms Goghari Sibilisuraya (Sue)

Sue Goghari holds a Master of Science Degree in Healthcare Management from Swansea University, Wales, which she obtained in 1999. She received her basic education in Singapore and professional education in Sydney, Australia in 1989. She started her career in Nursing in 1989 before going into Infection Prevention and Control in 2003. She led and managed the Infection Control program at Mount Elizabeth Hospital and Parkway East Hospital from 2003 until July 2012.

As part of her work for Parkway Group Hospitals and Parkway College, she had provided consultancy and training on JCI standards to hospitals in China, provided training and consultancy on Quality, Patient Safety, Infection Prevention and Control and Healthcare Management to Medical and Healthcare Institutions in Singapore (for Parkway Pantai), Kazakhstan, China, Vietnam, Malang, Myanmar and Abu Dhabi.

In addition, she facilitates training matters relating to service and leadership programs in Parkway College to both local and international clients. Delegates have given rave reviews for her delivery and presentation skills. Her portfolio also includes academic lectures for the Graduate Diploma in Healthcare Management, Diploma in Healthcare Management programmes, Hospital Operations and Patient Safety modules for Healthcare Management courses at PACE, Singapore Polytechnic.

Sue is a member of the Infection Control Association of Singapore and a Treasurer for the Infection Control Chapter Committee.

Sue attained her Advanced Certificate in Training and Assessment (ACTA) certification in 2016.
